The covenants and restrictions of this Declaration shall run with and bind the land for a term of thirty (30) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. This Declaration may be amended during the first thirty (30) year period by an instrument signed by not less than ninety percent (90%) of the Lot owners, and thereafter by an instrument signed by not less than seventy five percent (75%) of the Lot owners. No amending instrument shall be effective unless at least one Lot owner who is a Class A member joins in executing the amending instrument. Any amendment must be recorded.

Section 4. Annexation. Additional residential property and common area may be annexed by the Declarant without the assent of Class A members as long as a Class B membership exists; at such time as the Class B membership does not exist, annexation shall require a two-thirds (2/3) vote of the members.

Section 5. VA Approval. As long as there is a Class B membership, the following actions will require the prior approval of the Veterans Administration: annexation of additional property, dedication of Common Area and amendment of this Declaration of Covenants, Conditions and Restrictions.
